Attendance

Article 28: Every child has the right to an education.

SCHOOL BEGINS PROMPTLY AT 8.45am FOR YR AND 8.50am FOR KS1 & KS2. The learning starts at 9am so we need the children in class and settled for then.

The whole school attendance target is 96%.

YR: 98%

Y1: 93.6%

Y2: 96.9%

Y3: 95.6%

Y4: 90.7%

Y5: 92.4%

Y6: 92.5%

The overall whole school attendance is 94.2%. This is around National Average!!

Well done to YR and Y2 who have achieved at least 96% (our target).

*Please read our Attendance Guide - the full updated Attendance Policy can be found on our website. Our aim is for every child to be in school every day - with a target of **at least 96% attendance**. Please note that holidays in term time will only be authorised in exceptional circumstances - we need to receive notification (by filling in the form on the website/from the School Office) two weeks prior to their absence.*

Attendance Policy Overview 2023-24

At Lynn Community Primary School, we aim to consistently work towards our goal of 100% attendance for all children. Every opportunity will be used to convey the importance of regular, punctual attendance to pupils, parents, and carers.

Our school is committed to providing the best possible quality of education to all learners. For a child to reach their full educational achievement a high level of school attendance is essential.

'Attendance is EVERYBODY'S responsibility'

It is the responsibility of all members of our school community to maintain and monitor good school attendance.

REPORT IT FIRST DAY

If your child is going to be absent from school, please report this ASAP via the school office.

Special Achievers This Week

*Every week the staff look out for those children who are just that little bit extra special in the current week to award them one of our **Achievers Certificates**. It might be for lots of effort, fantastic presentation, super learning behaviour, lovely manners, being extra helpful or just that bit more determined than the others to finish their work accurately. They might just be an outstanding all-rounder. Congratulations to this week's achievers :)*

Picture News

As a gold Rights-Respecting School, our children discuss different issues each week using Picture News. This week's Picture News was all about the following question: What is it like to live through an uncertain time?

TAKEHOME

In the news this week

What is it like to live through an uncertain time?

Scientists monitoring a volcano in Iceland have said an eruption could happen. The Fagradalsfjall volcano previously erupted two years ago, in 2021 - the first time in over 800 years. It is now thought that the volcano is the cause of a series of earthquakes, which started this October. An underground river of magma led to the evacuation of 4,000 people from the town of Grindavík and Iceland has declared a state of emergency. People who live there have since been allowed to return just to collect belongings, with the likelihood of eruptions remaining high.

Things to talk about at home

- Share any prior knowledge you have about volcanoes.
- How do you imagine the people of Grindavík feel about having to leave their homes, not knowing when they will be able to go back?

Please note any interesting thoughts or comments

Rule of Law

Sometimes rules, such as not allowing people to stay in their homes, may be introduced in response to an event. They are put in place to help protect people and keep them safe.

Protected Characteristics

The Fagradalsfjall volcano in Iceland has affected the lives of Icelandic people living there. We should never be treated unfairly because of our colour, nationality (including citizenship), ethnicity or national origins.

UN Rights of a Child

PATHS - quote of the month

Using PATHS (Promoting Alternate Thinking Strategies) across school is helping to teach our children about their feelings and how to manage them. Mrs. Reid is leading our school towards achieving model school status through the work the staff and children are doing together. This month's focus is on treating others how you would like to be treated. The children are also being encouraged to think of different ways to compliment the PATHS pupil of the day.

NOVEMBER

PATHS
Quote of the Month

Wouldn't it be a wonderful world if everyone followed the Golden Rule?

Let's show the world how to do it by treating others the way we want to be treated.

Recycling: unwanted textiles

Thank you to those who have already donated - the clothing has been collected! We have kept the donation box so if you are having a clear out before Christmas please bring your unwanted clothing to the office.

And finally...

🌐 UNCR Article 2

All children have these rights

As part of our learning around the value of 'Diversity', Miss. Evans led this week's assembly about article 2 of the UNCR: no discrimination. The children had the opportunity to find out about famous people who have differing needs and how they have succeeded in their chosen careers. We were so impressed with how many children could remember the protected characteristics!

Tomorrow is our Christmas Fayre (11.30 am-2.30 pm), we look forward to seeing you here to enjoy the festive atmosphere!

Have a lovely weekend.
