## Picture News

As a gold Rights-Respecting School, our children discuss different issues each week using Picture News. This week's Picture News was all about the following question: How do you think World Book Day should be celebrated?

## TAKEHOME

How do you think World Book Day should be celebrated?

### In the news this week

Across the UK and Ireland, the charity World Book Day, will be holding its annual celebration on Thursday 7<sup>th</sup> March. The day is a chance to celebrate and encourage reading in schools and homes. Children are more likely to enjoy reading when they have greater control over what they read and when there is an emphasis on fun, the charity believes. Many schools choose to recognise the day by encouraging children to dress up as their favourite book characters, bringing in their favourite books and holding other reading activities in school.

**Things to talk about at home –**

- Does your school recognise World Book Day? What do you do? Do you enjoy the activities?
- What other ways do you think we can encourage people to read? Do you encourage reading? Do you think it's important for people to read more?

## Mutual Respect and Tolerance

Reading can help us to learn more about our world. It can help us understand and respect other people's faiths, beliefs and culture and that life is not the same for everyone.

## Protected Characteristics

World Book Day aims to change lives through a love of reading and books. Young people often celebrate in school but anyone of any age can celebrate. We should never be treated unfairly because of our age.

## UN Rights of a Child

We all have the right to rest, relax, play and take part in cultural and creative activities. World Book Day can provide us with an opportunity to do this.

Our school is part of Operation Encompass which is a national scheme that operates jointly between schools and police forces.

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced domestic abuse.

As a school we have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained in the Operation Encompass procedures allowing us to then use the information that has been shared, in confidence, to support the child/ren in our care.

The Domestic Abuse Act 2021 identifies children who experience domestic abuse as victims of domestic abuse in their own right.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

Mrs. Roberts and Mrs. Lammond have received training around this, please speak to them for more information, advice or support.

**OPERATION ENCOMPASS**

**Operation Encompass is a national scheme that operates jointly between schools and all police forces.**

“Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience.”

“Children who experience domestic abuse are recognised as victims of domestic abuse in their own right”

“We have ensured that a member of our staff (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care.”

“Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident.”

“This information means that we can understand a child's behaviour and support that child in whatever way they may need or want.”

“We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this.”
