Attendance

Article 28: Every child has the right to an education.

SCHOOL BEGINS PROMPTLY AT 8.45am FOR YR AND 8.50am FOR KS1 & KS2. The learning starts at 9am so we need the children in class and settled for then.

The whole school attendance target is 96%.

YR: 92.7%

Y1: 91.5%

Y2: 98.3%

Y3: 86.8%

Y4: 93.5%

Y5: 98.8%

Y6: 93.3%

The overall whole school attendance is 93.3%.

Well done to Y2 and Y5 who have achieved our 96% target.

*Please read our Attendance Guide - the full updated Attendance Policy can be found on our website. Our aim is for every child to be in school every day - with a target of **at least 96% attendance**. Please note that holidays in term time will only be authorised in exceptional circumstances - we need to receive notification (by filling in the form on the website/from the School Office) two weeks prior to their absence.*

Attendance Policy Overview 2023-24

At Lynn Community Primary School, we aim to consistently work towards our goal of 100% attendance for all children. Every opportunity will be used to convey the importance of regular, punctual attendance to pupils, parents, and carers.

Our school is committed to providing the best possible quality of education to all learners. For a child to reach their full educational achievement a high level of school attendance is essential.

'Attendance is EVERYBODY'S responsibility'

It is the responsibility of all members of our school community to maintain and monitor good school attendance.

REPORT IT FIRST DAY

If your child is going to be absent from school, please report this ASAP via the school office.

Spring Term Achievers

At the end of each term we award subject-specific certificates across the curriculum. This gives us the opportunity to celebrate achievements in all areas of learning. When presenting the awards, we talked about inspirational figures, the skills they are developing and aspirational roles linked to each subject.

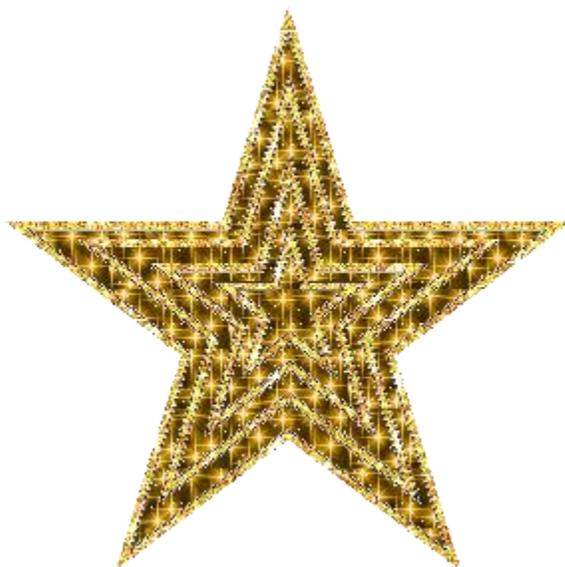

Well done to the term's award winners!

Updates from our Pupil Leadership groups

*Our **Reading Ambassadors** were fabulous in last week's **World Poetry Day** assembly, led by Miss. Hope.*

They read a selection of Kennings and Limericks. Miss. Hope also shared a Limerick that she had written:

There once was a school called Lyme,

Where learning and laughter combined,

From Maths to Art

They all played their part,

In helping all the pupils to shine.

Y1 performed a poem called Kindness, a group of Y2 children performed Cats and two different groups from Y3 performed Seasons and I'm No A Kid. Y5 performed the first verse of The Highwayman.

Our Y5 Playground Leaders are continuing to do an excellent job at leading sports at lunchtime for our YR, 1 and 2 children. They have been so enthusiastic and engaging which has meant the younger children are always excited when it is their turn!

Picture News

As a gold Rights-Respecting School, our children discuss different issues each week using Picture News. This week's Picture News was all about the following question: Should there be a limit on how rich one person can become?

TAKEHOME

Should there be a limit on how rich one person can become?

In the news this week

Poverty-fighting charity, Oxfam, recently released a new report on inequality and global corporate power. It found that the world's five richest people have more than doubled their fortunes from a combined total of £231 billion to £488 billion since 2020. The wealth of the poorest 60% (nearly five billion people) has fallen. If this trend continues, the world will have its first trillionaire within 10 years, whilst poverty may not be eradicated for another nearly 250 years.

Things to talk about at home ...

- Share your thoughts on this week's story. Are you surprised to learn that there will likely be a trillionaire within ten years?
- Can you name any billionaires? Do you know how they acquired their money?
- Do you think more should be done e.g. by governments, to reduce the gap between the world's richest and poorest people?

Please note any interesting thoughts or comments

Individual Liberty

We are free to make our own choices and pursue our own goals. At times, it is important to consider those less fortunate than ourselves when making decisions in order to make the world a better place for everyone.

Protected Characteristics

Everybody deserves fair pay for the work that they do. Today, there are still differences between the salaries of men and women, who do the same job.

UN Rights of a Child

Children and young people have the right to a good standard of living. Where parents/carers are unable to provide this, the government should make financial support available.

PE Reminders

The children can come to school on their PE days in their PE kit: white t-shirt, red shorts, trainers. They can also wear their school jumper or cardigan when needed.

PE days

YN: Friday

YR: Tuesday

Y1: Monday and Wednesday

Y2: Monday and Wednesday

Y3: Wednesday and Thursday

Y4: Wednesday and Friday

Y5: Tuesday and Thursday

Y6: Tuesday and Thursday Some Y6 children will start additional swimming lessons on Monday next half term - starting on Monday 22nd April (letters have been sent to individual children).

We have had a number of child wearing their own clothes on PE days - please ensure they are wearing the correct clothing - thank you.

- Plain black pumps or trainers

Children may come to school in their PE kits on the days they have games or after school sports clubs.

The Hummingbird Project

*Our Y4 and Y5 classes have enjoyed being part of **The Hummingbird Project** this half term. They have been involved in a 6-week Positive Education intervention, designed to give students the tools they need to be as happy, healthy, and productive as possible. It has involved hour-long workshops, in which they have learnt about happiness, mindfulness, gratitude, kindness, character strengths, and resilience, and taken part in fun activities to help them to understand how to put these ideas into practice.*

Our Early Years children enjoyed sharing some songs with their families before taking part in the Easter Bonnet Parade - Mrs. O'Brien had a very hard job choosing the winners!

It was so lovely to have some many families taking part in the Easter Craft event - thank you to Miss. Evans and the Student Council for planning our first Easter one.

Our day of Easter activities was finished off with bingo - lots of fun (and sweating!) had by all. This, along with the class raffles, raised around £800 for School Fund which is aiming to pay for a new sound system for the hall.

Polite reminders

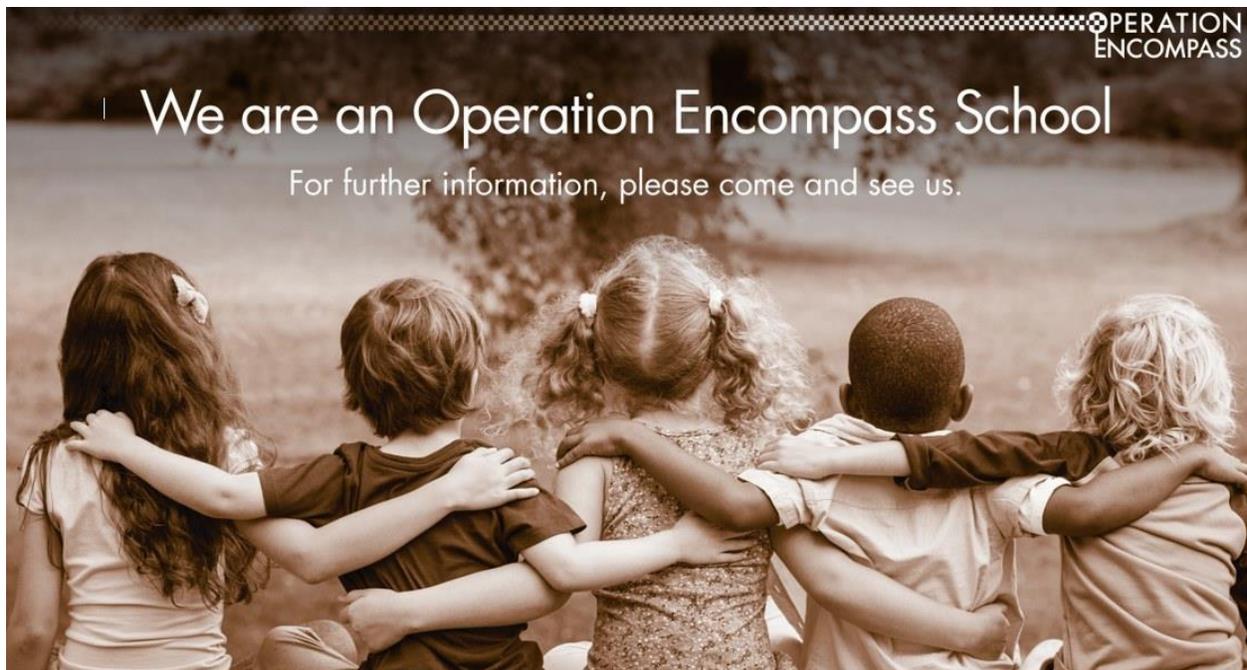

Just a reminder that children under the age of 16 cannot pick up children from school or ASC. If it is a different adult than usual picking your child up from school, please can you let school know.

*If your child requires medication to be administered it **must** be handed in and the office by an adult and a slip completed. Children should not have it stored in their bag or bring it into class. This is so that we can ensure it is stored and administered safely.*

Thank you.

Operation Encompass

Our school is part of Operation Encompass which is a national scheme that operates jointly between schools and police forces.

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced domestic abuse.

As a school we have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained in the Operation Encompass procedures allowing us to then use the information that has been shared, in confidence, to support the child/ren in our care.

The Domestic Abuse Act 2021 identifies children who experience domestic abuse as victims of domestic abuse in their own right.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

Mrs. Roberts and Mrs. Lammond have received training around this, please speak to them for more information, advice or support.

Operation Encompass is a national scheme that operates jointly between schools and all police forces.

Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationship, can be negatively impacted by this experience.

Children who experience domestic abuse are recognised as victims of domestic abuse in their own right¹.

We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care.

Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident.

This information means that we can understand a child's behaviour and support that child in whatever way they may need or want.

We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this.

Science competition

As part of British Science week, Mr. Leather launched a competition to research different scientists. We were amazed by the brilliant entries we received! The effort that has gone into each one has made us

really proud and has shown the children's love of Science! The VERY difficult job of judging 1st, 2nd and 3rd place will be announced in our Celebration Assembly after half term.

Intra-sports competition

The whole school have enjoyed an exciting day of sports competition - competing in their house teams in games of Handball. Thank you to Mr. Leather for organising and leading the games. The overall winners were the Dragons!

It is really positive to see so many of the children enjoying playing sports at breaks. Year 6 enjoyed setting up their own games of rugby, tennis and basketball during one of this week's lunch times.

Easter assembly

The children from Y1 to Y6 enjoyed an Easter assembly led by Reverend Chris as part of this week's assemblies.

Prayer

Dear God,
thank you for the Easter story
that tells us the wonderful news
that Jesus is alive.

Thank you that you love us all so much
that you planned a way that
Jesus could be our friend for ever.
Amen

Nursery places

We have Nursery places available for September 2024 - please spread the word! Visits to school can be arranged by contacting Mrs. O'Brien in the office. We are also able to offer Breakfast and After School Club provision.

<https://www.sthelens.gov.uk/nurseryadmissions>

Maintained nursery units/schools

The local authority processes applications for maintained nursery units/schools in St Helens. A maintained nursery is managed by a governing body and is usually on the site of a primary school.

If you wish to apply for a Private, Voluntary, or Independent Playgroup/Nursery, or a neighbouring local authority's nursery, you need to contact them directly.

Your child can access 15 hours' free nursery care each week for 38 weeks each year the term after their third birthday. In maintained nurseries these hours are normally divided up into morning or afternoon sessions on five days per week. The school will contact you with details of the session times for your child after a place has been allocated by the local authority.

Some primary schools offer two-year-olds places; please check with the school you are interested in.

30 hours' funded childcare

Some working parents are eligible for up to 30 hours of funded childcare/early education per week (for three to four-year-olds). You can check whether you are eligible for 30 hours' free childcare via the [Childcare Choices](#) website.

You should contact your preferred nursery to find out if they will be offering 30-hour places and whether there is any availability.

Applying for January, April and September nursery admission

You can apply for admission the term after your child's third birthday. If your child was born on or between:

-
- *1 September and 31 December, you can apply for January admission.*
 - *1 January and 31 March, you can apply for April admission.*
 - *1 April and 31 August, you can apply for September admission.*
-

And finally...

As you can see from our newsletters, we have had a very busy term in school! Enjoy the half term break - hopefully in the sunshine. Happy Easter and Eid Mubarak to all families who are celebrating over the next two weeks.

See you on Monday 15th April.

Mrs. Roberts
