

Mr Leather

Hello, I am Mr Leather! I have worked at Lyme for the past 4 years and have enjoyed every moment so far. I am currently in charge of PE and Science at school and like taking teams of children to sporting competitions around the St. Helens borough.

When I am not in school, I like going on days out with my little girl, Emilia. She is 2 years old and if you ever think I look tired of a morning it is usually her fault! I enjoy watching lots of sports including football, rugby, golf and tennis and often play golf (badly) and go cycling around the local area. I also love to play my guitar. However, my favourite thing to do is to watch Liverpool FC play.

In year 4, you can expect a lot of guitar playing, really bad jokes, exciting lessons, as well as a lot of hard work! I like to plan fun and messy experiments for us to do as we have lots of fun Science topics. We like to learn with a smile in year 4 and I am sure that last years class will tell you that.

We have some brilliant topic questions to investigate such as 'Why was the Roman Empire so powerful?', 'What is the importance of Electricity?' and 'Why were the Ancient Egyptians awesome?' plus many more.

I look forward to seeing you all in September! 😊
