

Dear Parents and Year 4
2022

AUTUMN 1

Here is our topic for this half term. Please use it to aid your own research

As Mathematicians we will:

Be learning about:
Roman Numerals
Place value and number
Additions and subtraction methods

As Citizens we will:

Think about our values of responsibility and honesty alongside the UN Rights of a Child and

As Historians we will:

Investigate why the Anglo-Saxons came to Britain and why they stayed. We will also explore the reasons why the Vikings decided to sail to Britain and what happened.

As Musicians we will:

We will develop an understanding of the history of music and appreciate and understand a wide range of music drawn from different traditions and great composers. The children will also be working with Mr Chadwick to learn how to play a range of brass instruments.

As Authors we will:

Plan, draft, write and evaluate our own and other's work.
We will write informal letters and adventure stories.

Would you rather be
an Anglo-Saxon or
a Viking?

As ICT technicians we will:

Look deeper into coding and debugging different codes.

As Team Players we will:

We will play competitive games, for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis, and apply basic principles suitable for attacking and defending.

As Readers we will:

Use a range of different texts to explore a variety of reading skills. This half term, we will focus on retrieval, inference and prediction.

As Scientists we will:

Discover how sound is made and how it travels from a source. We will investigate how sound changes whether that be pitch or volume.
